

Washington Library Friends, Foundations, Trustees, and Advocates

Presents

Biennial Friends and Foundation Forums

Join Friends from throughout the State for a day of sharing successes, failures, and opportunities for growth. We have much that we can learn from each other.

In addition to this communication forum, the program will include:

Carrie Jenott from "Once Sold Tales", an online bookseller, will do a presentation on how Friends or Foundations can sell their books online, including national trends, public opinion, online bookselling combined with community book sales, and Online Selling 101.

"Fund our Future Washington" will do a presentation on their grassroots advocacy experience working the State Legislature. The "Three Moms" are recognized nationally for their extraordinary efforts on the behalf of school libraries and we can learn from their experience as we support our libraries at the state level.
